Cultural Village Wharf Dubai, UAE

Client	Dubai Properties
Consultant	Cracknell / MACE
Product	VGM Modules
Quantity	1800 m2

Dubai Wharf is a mixed used development set within the heart of the Dubai Creek, opposite Al Jadaf metro station. The development acts as an attraction and a destination hub for both shopping and entertainment, and catering for both residents and visitors alike and is set to complement and boost the reputation of Dubai on the world Shopping and Culture Map.

We supplied Green Wall (Designed and Manufactured by WT Burden Landscape) on year 2017 – 2018 to provide a natural greenery without losing a valuable floor spaces.
